

De meest actuele, snelste en lekkerste hitlijst van Nederland, de Hitzound 40. Wekelijks samengesteld door Hitzound.com onder scherp toezicht van Henk Kremer. Sinds december 2022 is de hitlijst wekelijks op zaterdagmiddag van 12:00 tot 15:00 te horen op Dragon FM onder begeleiding van Corné Wolfs en Danny Knaap.

Door alle lijsten van 2022 bij elkaar op te tellen ontstaat ook dit jaar een jaaroverzicht. Het jaaroverzicht wordt uiteraard ook op Dragon FM uitgezonden op zondag 15 januari 2023 van 12:00 tot 19:00 uur. De lijst wordt herhaald op woensdag 18 januari 2022 van 12:00 tot 19:00 uur.
